1 LOFTY AMBITIONS

Loveseat

We adore the sleek shape, the buttons and the Static Sky colour of this sofa from Canadian Van Gogh Designs. But, get this, the size and upholstery are customizable! Have a seat, friends.

2 GRAHAM & BROOKS

Pom Pom Throws

Keep cosy with these soft, 65 per cent wool throw blankets. They come in a range of earthy colours, and, draped over an equally beguiling rustic wood ladder, add a great decorative touch.

3 EXPRESSIONS IN WOOD, INC

Console Table

Expressions In Wood don't simply create custom furniture, they craft one-of-a-kind Canadian-made works of art. Just look at this gorgeous solid wood console/sofa table in bird's eye maple!

4 QSI WINDOWS & DOORS

Entrance Door

Open your door to visitors and feel the weight of Martin craftsmanship. Solid wood, two-and-a-quarter-inches thick, beautifully embossed and stained golden brown, we love the high-end quality. You're welcome.
